

WGS Emergency Fund Scholarship Application

Name:

Student ID:

Contact email or phone:

Major:

The purpose of the WGS Student Emergency Fund scholarship is to support students in need of “emergency” funding. An emergency is broadly defined to include those categories not covered as part of the regular cost of attendance (i.e. NOT “tuition fees, books and supplies, meals, housing, transportation, and personal expenses” per Financial Aid).

The award is open to all graduate and undergraduate students majoring or minoring in WGS. Preference is given to graduate students and undergraduate majors, and there is no GPA requirement.

If your application is awarded, a copy of a bill tied to your emergency may be required.

Please briefly describe the nature of your emergency:

What is the minimum amount you would need to address your emergency?

Please return this application to the Chair of WGS in HUM 315.
